

PETITION FOR RECALL

TO THE HONORABLE Nevada County Board of Supervisors: Pursuant to the California Constitution and California election laws, we the undersigned, registered, and qualified electors of the District 3, County of Nevada, California, respectfully state that we seek the recall and removal of Dan Miller holding the office of Supervisor in District 3 in Nevada County, California. We demand an election of a successor to that office. The following Notice of Intention to Circulate Recall Petition was served on December 14, 2021 to Dan Miller, Supervisor.

TO: Dan Miller Pursuant to provisions of the California Elections Code, the undersigned, registered qualified voters of the District 3, County of Nevada, State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Supervisor in the District 3, County of Nevada, State of California, and to demand an election of a successor for that office.

Dan Miller;

- 1) Concealed facts which were known or which should have been known to him through reasonable diligence. He neglected his constituents' warnings about the dangers of excess government which have resulted in loss of life, liberty, and property. He enabled crimes against humanity and censored public comments. He violated the oath of office, Brown Act and wasted millions of taxpayer dollars without financial impact reports.
 - 2) Voted to violate citizens' privacy and other rights through "Contact Tracing of Citizens" by unscreened and questionable data "Tracers" from "Rapid Trace LLC dba Over the Ridge LLC". "They will provide Local Health Officer Isolation and quarantine guidance... referrals..." (Res. 21-460)
 - 3) Neglected citizens requests to immediately terminate department officers Glennah Trochet, Ryan Gruver and also terminate the Health Director Dr. Scott Kellerman for his public statement and gesture threatening to shoot/kill unmasked citizens. (10-11-2021)
 - 4.) Failed to re-open Nevada County. Promoted lockdowns, prescribed untested medical procedures, omitted use of life saving therapeutic medications, neglected natural immunity, increased county liability and directly violated religious freedoms and individual liberty.
 - 5) Voted for U.A.S. Unmanned Aircraft Systems (Drones) to perform unconstitutional warrantless searches which violate privacy, due process and property rights. (SR 21-0635). The printed names of the proponents (business or residence addresses are on file with the elections official) are as follows: Debra J. Brown, Donna B. Abreu, Bethany Denkers, Jeremy Hunter, Dylan R. Brooke, Terry Parks, D. Kirk Pharis, Lynn Paddison, Sarah L. Townsend, Heath B. Brooke
- The answer of the officer sought to be recalled is as follows: I have spent 31 years in public service, making decisions based on facts in order to best serve the people I represent. // I helped lead the effort to disburse more than \$1 million in Covid-19 federal, state and local funding to Third District businesses and nonprofits. I supported the County's Environmental Health Department on strategies that allowed businesses to stay open despite over-reaching shut down orders from the state. I lobbied the County's Public Health Officer, in person and in writing, to lift shut-down and quarantine mandates when facts showed they were ineffective. // This recall is an emotional response and desperate effort by a fringe minority who did not get their way. Their allegations lack credibility and do not withstand the test of truth. // For example, drones do not conduct "warrantless searches," they are a tool in the County's efforts to identify and eliminate illegal cannabis grows. // I did not enable "crimes against humanity," I sought to protect citizens' health in the face of a deadly virus. I have fully supported the use of therapeutics as a medical response for those who have contracted the virus. // Partisan politics never influenced my decisions. // I ask Third District voters to reject the recall. /s/ 950 Maidu Ave., Nevada City, CA 95959

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the District 3 of Nevada County, California.
