

PETITION FOR RECALL

TO THE HONORABLE Nevada County Board of Supervisors: Pursuant to the California Constitution and California election laws, we the undersigned, registered, and qualified electors of the District 2, County of Nevada, California, respectfully state that we seek the recall and removal of Ed Scofield holding the office of Supervisor in District 2 in Nevada County, California. We demand an election of a successor to that office. The following Notice of Intention to Circulate Recall Petition was served on December 14, 2021 to Ed Scofield, Supervisor.

TO Ed Scofield Pursuant to provisions of the California Elections Code, the undersigned, registered qualified voters of the District 2, County of Nevada, State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Supervisor in the District 2, County of Nevada, State of California, and to demand an election of a successor for that office.

Ed Scofield;

- 1) Concealed facts which were known or which should have been known to him through reasonable diligence. He neglected his constituents' warnings about the dangers of excess government which have resulted in loss of life, liberty, and property. He enabled crimes against humanity and censored public comments. He violated the oath of office, Brown Act and wasted millions of taxpayer dollars without financial impact reports.
- 2) Voted to violate citizens' privacy and other rights through "Contact Tracing of Citizens" by unscreened and questionable data "Tracers" from "Rapid Trace LLC dba Over the Ridge LLC". "They will provide Local Health Officer Isolation and quarantine guidance... referrals..." (Res. 21-460)
- 3) Neglected citizens requests to immediately terminate department officers Glennah Trochet, Ryan Gruver and also terminate the Health Director Dr. Scott Kellerman for his public statement and gesture threatening to shoot/kill unmasked citizens. (10-11-2021)
- 4.) Failed to re-open Nevada County. Promoted lockdowns, prescribed untested medical procedures, omitted use of life saving therapeutic medications, neglected natural immunity, increased county liability and directly violated religious freedoms and individual liberty.
- 5) Voted for U.A.S. Unmanned Aircraft Systems (Drones) to perform unconstitutional warrantless searches which violate privacy, due process and property rights. (SR 21-0635). The printed names of the proponents (business or residence addresses are on file with the elections official) are as follows: Connie Vaughn Johnson, Heather Colby, Steve Colby, Annette LaPoint, Harold Brown, Katherine Mathes, Chris Hamilton, Katherine Hamilton, Macie Lazalier, Lisa Lewis. The answer of the officer sought to be recalled is as follows: COVID has caused governments of all sizes to make difficult decisions. The County, through your Board of Supervisors has followed the rule of law in its implementation of public health mandates, and support of our health professionals who are following the best medical advice available. We have done so while using Local, State, and Federal Funding to provide an unprecedented level of support to our local businesses, non-profits, and cultural institutions to help them weather the economic fallout of the pandemic. Throughout the pandemic, your Board of Supervisors has continued the work of County government. The Board has succeeded in building more low-income housing, providing services and homes for homeless, expanding broadband, doubling our wildfire vegetation management, prevention and response efforts; ensuring fiscal stability while expanding our mental health services, upgrading our roads, supporting legal cannabis while increasing enforcement against illegal grows, and providing comprehensive constituent assistance. This recall petition is unwarranted, is a waste of your government's time and a waste of your taxpayer dollars. /s/ Ed Scofield Nevada County Supervisor, District II 950 Maidu Avenue Nevada City California

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the District 2 of Nevada County, California.
